**Torrance Area Families Invited To Join YMCA Thanksgiving Plan**

Torrance families have an opportunity to celebrate Thanksgiving in a more meaningful way this year through the Torrance YMCA which has invited all families to share in a project with world-wide impact for this Thanksgiving Season.

The local youth agency has designated Friday, November

27, as World Brotherhood Day, and has issued a four-step plan by which families may advance the cause of world peace and brotherhood during these thankful days.

Charles E. Stewart, chairman of the YMCA program, outlined the plan as follows:

**FIRST AS EACH** family gathers around the table for the Thanksgiving feast, they are asked to remember the many blessings that Americans take for granted. Freedom, education, food, and clothing are just a foundation for the riches that we enjoy.

Second, families are asked to discuss how they differ from "the world's average man." Two-thirds of mankind today go to bed each night with hunger pangs; live in a mud hut; suffer from chronic illness; and cannot read nor write. In spite of these great handicaps, these people have hope that their children will

Contractor for the new structure is Charles Swain Co. of Redondo Beach.

have a better life.

**THIRD, AFTER** the discussion, each member of the family is asked to give some small gift to help these people in foreign lands. Their gifts will go to YMCA World Service which is providing an answer to the hopes of men in 35 troubled nations of the world. Even the pennies of the children will be multiplied many times as they are put to use in Singapore, or Greece, or Nazareth. This is one of the very few ways in which individuals in our country can directly aid the cause of world brotherhood.

Fourth, all families are invited to visit the Torrance YMCA from 9 a.m. to 6 p.m. on Friday, Nov. 27, to give their gifts for World Brotherhood. Posters, literature, and a movie will help to explain how this YMCA missionary program operates. In addition, the YMCA will hold a World Service Rummage Drive during the same hours, and all citizens are invited to browse through the items on hand.

**Construction Started on Restaurant**

Construction is underway this week on a new \$75,000 restaurant to serve the entire Harbor - Torrance - South Bay area, Restaurateur Arturo Fuentes announced.

The modernistic-Mexico restaurant, "Arturo's," designed by the architectural firm of Joncich and Lusby, San Pedro, is an expansion of the harbor area's famed La Paloma Restaurant and will feature fine Mexican food in a family atmosphere, Fuentes said.

The one-story glass and stone structure, to be constructed at the corner of 257th St. and Western Ave., will feature a patio dining atmosphere with seating for more than 100 persons. Private banquet facilities have been incorporated into the future expansion plans of the air conditioned structure. Parking facilities will adjoin the building.

The Fuentes family, harbor area residents for 33 years, have been in the restaurant business for more than 20
